

An all-new Homepage

Currently, the five buttons along the top of the homepage are set like this. However, they will change as time progresses to ensure that the website is always up to date and relevant. Why not direct new members to the 'This is U3A' page, or visit the 'U3As in Action' page to read up on what other U3As are doing, or even submit a story yourself. Or indeed take a look at the Online Courses we have available.

Members' Area

The Members' Area is a treasure trove of useful information for U3As. Why not use it to access the new Resource Centre catalogue, download the latest general mailing or browse our selection of merchandise? This is most certainly an area worth exploring and familiarising yourself with.

To access the Members' Area, you must first [Create Account](#), even if you had one on the old site.

1. From the homepage, click the 'Create Account' button at the top of the page.
2. Fill out the form, and remember to check the 'accept cookies' box.
3. Click 'Send registration request'.
4. Check your email account for an email from us confirming that your account has been set up.
5. Return to the site, click the 'Member Login' button, and use your new username and password to log in.

We are on YouTube and Twitter!
